RE: ROBERT EWING WAIVER REQUEST

JANUARY 25, 2011

MAP 096, LOT 015-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Robert Ewing, represented by Charlie Hirschberg of CLD Engineers, to waive Section VI, K, 2 of the Land Subdivision Control Regulations to permit the substitution of 5/8" capped rebar for boundary markers instead of the normal use of concrete of granite bounds.

After hearing testimony regarding the proposed waiver, by unanimous vote, the New London Planning Board **APPROVED** the applicant's waiver request, provided granite or concrete bounds were used at the five critical locations along the road Right-Of-Way. The balance of the bounds located in wetlands or no-cut zones may be 5/8" rebar, and bounds located along stone walls may be drill holes with rebar inserted, as required.
