- 1. Call to Order:** The meeting was called to order at 8:30 AM
- 2. Survey Discussion:** The committee reviewed a draft layout and content of the Master Plan Survey. The group discussed the design of the layout and complimented the look of the survey. Each question in the survey was reviewed for content. It was suggested that the committee review the survey for words or phrases that may be easily known to those involved in planning but that the general public would not be familiar with. Several phrases were identified and adjusted to be more easily understood. Mark Vernon asked the committee to discuss a question regarding seasonal campsites on private property.

The committee discussed the anticipated timeline for the survey. Janet Kidder raised the point of making sure that the survey is still in circulation in May when some of the summer residents will have returned. The tentative decision that was reached was that Town Meeting would be the kick-off point for the survey with a deadline of May 15th for the surveys to be returned.

- 3. Next Meeting:** The next meeting is scheduled for Tuesday, February 7, 2019.
- 4. Adjourn:** Janet Kidder motioned to adjourn with a second by Mark Vernon. Meeting adjourned at 11:05 am.

Respectfully submitted,
