**June 27, 2019 – 8:30AM**

**PRESENT:** Paul Gorman Tim Paradis David Royle, Jeremy Bonin, Janet Kidder,

**MEMBERS ABSENT:** Mark Vernon

**OTHERS PRESENT:** Adam Ricker

1. **Call to Order** – Chair Bonin called the meeting to order at 8:35 AM.
2. **Charrette Discussion:**  
The committee discussed the first charrette. Overall, the meetings were very well attended and had a positive level of engagement.

One of the primary themes from both events was the interest in long-term sustainability. This seemed to have a varied meaning to individual parties. Some would like to see the town commit further to green energy, others would like to see sustainability planning in-terms of resiliency to climate change and weather events.

The committee felt that the format worked well for a kick-off meeting to have folks participate as a town hall style event, but that the next event should be more focus group style.

3. Next meeting, July 2 at 8:30 AM
4. Mr. Bonin adjourned the meeting at 9:35 AM.
