The mission of New London Recreation is to:

- Provide safe and well-maintained recreational spaces, which **encourage healthy lifestyles and appreciation for our beautiful natural surroundings.**
- Promote **community connection** through **cross generational** and inclusive recreation and leisure experiences.
- Offer quality programs and activities in a **cooperative spirit** with community partners.

3. Rec. Director Report on:

*February Winter Carnival schedule and promotion. Brainstorm name? Fireworks rain date of Sunday?

*Town Rink- schedule and use, question posed as to whether we should have warming hut open to use or closed for Covid reasons, last year it was not open, due to Covid. Hockey moving forward? Safety concerns regarding pucks going over the nets.

*Thinking about new mission statement, maybe think about new logo and slogan??

*Review Rec. Dept. Update for Town Report 2021

4. Brainstorm on ways to encourage outdoor recreation through the winter months while also building our Facebook presence.

*Remember [The Flat Stanley Project](#)? I'd love to somehow encourage people being active during the winter months. Taking photos of something that promotes NL Rec and posting it to our FB page. We could do raffle drawings/prizes to encourage participation.
