

# TRI-TOWN ASSESSING NOTICE

Sunapee

Newbury

New London

This time of year, the Assessing Office conducts property visits to verify building permit work and update property records.

Staff members Kris & Jon, will be visiting properties with permits issued in the previous year, as well as projects that were still in progress at the end of last year.

Please note: **This is NOT a town-wide reassessment.** These visits are only to verify property changes such as new construction or improvements.

Because staff must visit more than 600 properties across three towns, appointments cannot be scheduled in advance.

What to expect:

- Staff will knock on the door when they arrive
- If no one is home, they may measure the **exterior only** and leave

Assessing staff wear official badges and drive vehicles marked with Assessing Office signage.

If we see your cameras, we will hold up our clipboards to show identification.

If you have questions or concerns e-mail the Chief Assessor, Kris McAllister at
