

Kelsey Fields Athletic Complex – Athletic Pavilion Project Summary

Colby-Sawyer College is seeking approval of an athletic pavilion at the Kelsey Fields Athletic Complex located off of Seamans Road, across the street from the college's main campus.

The pavilion will offer three team changing rooms, an athletic training room, bathroom facilities, a small utility kitchen and an outdoor patio to meet the needs of the College's student athletes. Approximately 40% of the student body participates in athletics so this project is critical to meeting the expectations of our current and future student athletes.

The project includes a small, unlit gravel parking lot to accommodate 20 automobiles and a pathway from the parking lot to the athletic pavilion.

The site does not use town water or sewer as this parcel is not located in the water or sewer precincts.
