

10-1-24

From:

Putnam Kidder, Recreation Director

Memo to Selectmen to be Added to Thursday 10/10/24 Agenda:

Municipal Parking Lot (Main St. and Pleasant St.) Closure/Use Request and Portable Toilet Placement for Halloween Event Sunday 10/27/24:

The Rec. Dept. is requesting the use of the municipal parking lot on Main St. and Pleasant St. as a part of the Halloween Event on Sunday, 10/27. The section of Main Street (Seamans Road to Williams Road/Barn Playhouse) will be closed from 4-6 PM, but the parking lot would be closed from late Saturday night until 6 PM Sunday. The lot will be used by Rec. Dept. to put on Halloween-related activities and games and also be the location of a costumed Dance event. Utilizing the lot would assist with freeing up space for people to walk on Main Street and support access by emergency vehicles if necessary. The event has become quite popular (3,000+ people last year), and this decision will support event safety. Like last year, there will be two portable toilets placed on the small Town Common, to the left of the Lake Sunapee Chamber of Commerce info. Booth, as part of the event.

Rec. Director has reached out to the NLPD, NLFD, and DPW to review this plan. Rec. Director will also follow up with any local businesses that might be impacted by this closure. There will be a sign placed in the lot several days before to notify people of the planned closure.
