

**A Resolution Directing the Town Administrator to File a Revised Permit for the Swim Area at Elkins Beach with the New Hampshire Marine Patrol Unit.**

Be it resolved by the Board of Selectmen of the Town of New London that the Town Administrator shall file with the New Hampshire Division of Public Safety's Marine Patrol Unit a new permit which delineates the swim area at Elkins Beach as follows:

Using the WGS 1984 Major Auxiliary Sphere datum, starting onshore at Latitude 43.4184°, Longitude -71.9422°, thence along a straight line to 43.418644°, -71.942881°, thence along a straight line to 43.419223°, -71.942443°, thence along a straight line to 43.419102°, -71.942007°.

The permit application shall include a map which accurately reflects these coordinates, a swim line length of approximately 575 feet, as well as all other information required of the permit including but not limited to a request for waiver for the swim line to be in excess of fifty feet and in water depth exceeding six feet.

Said permit shall be filed with the Marine Patrol Unit before December 31, 2024.

Be it further resolved that upon approval of the swim permit by the Marine Patrol Unit, the Recreation Director shall annually place the swim line at Elkins Beach consistent with the map and coordinates provided in the approved permit. No deviation in the swim line location shall occur without prior approval of the Board of Selectmen and the approval of a new permit by the Marine Patrol Unit.
