

TOWN OF NEW LONDON  
RECREATION COMMISSION MEETING  
JANUARY 3, 2017

PRESENT: Lori Lavolpicelo, Casey Biuso, Lyndsay Lund, Janet Kidder and Scott Blewitt, Recreation Director

Scott updated the Commission on the ice rink, noting the poles are still being fabricated and the fencing (net-type) has been ordered. It appears that the posts will not be installed this year, due to the frozen ground. So far, there have not been any complaints regarding the rink.

The Lake Sunapee Board of Realtors has donated \$1000.00 for scholarships for children to participate in swimming lessons or camp activities.

The van lease payment of \$8,500.00 has been paid, using funds from the Revolving Fund.

There was considerable discussion about the Recreation budget, and, it was agreed as many members as possible should attend the Budget Hearing on Wednesday night. Lyndsay recommended that \$6,888.00 be restored to the budget (this is the amount that was deducted by the Selectmen). The Commission supported this proposal.

The meeting adjourned at 6:00 pm.

Respectfully submitted,  
Janet R. Kidder
