

Proposal presented by Bill Helm at April 14, 2022 Board of Selectmen meeting

1. Selectmen not on committees other than Budget and Planning
2. Budget Committee members not on other committees
3. Consider establishing time-limited, small advisory “panels” (2021 Fiscal Policy), such as:
 - Whipple / project management
 - Trash and solid waster
 - Future uses of Buker
4. Dissolve Building and Facilities and Solid Waste management committees as currently constituted
5. Revisit (with Planning Board) formation of separate CIP committee
