**Re:** Sidewalk Capital reserve Expenditures

---

Below is a table showing the expenses incurred for the Sidewalk project for FY2026. This expense is for planned sidewalk repairs and maintenance in line with Sam Clarke's multiple year sidewalk plan.

The total expenditure for this year is \$58,634.29.

I am requested that you authorize a withdrawal in the amount of \$58,634.29 from the Sidewalk Capital reserve account. The balance in the account after this withdrawal is \$277,422.71.

Thank you for your consideration.
