This notice is to request a waiver for Section V-B:7.a.2) of the New London Subdivision Regulations regarding the showing of complete boundaries of the entire parcel owned by the subdivider. There are recorded surveys, referenced on the subdivision plan, that show the abutting property lines from King Hill Road to the Sutton Town Line. Surveying the entire subject property (30+/- acres) will not alter the area of this subdivision application (10+/- acres). The entire property is graphically depicted in the inset on the subdivision plan.

This notice is also to request a waiver for Section V-B:7.c. Soils Map of the New London Subdivision Regulations. High-density development is not being proposed and both of the existing lots (Map 130, Lot 23 and Map 130, Lot 26) and the proposed new lot (Lot 1) are all larger than 5 acres.

Please contact me with any questions.

Thank you,

Eric Peabody
