Re: Waiver Request

The Board of Directors of the Garden of Tracy Library are writing to ask for a waiver of the required fees for both the use of the library garden and hours of use. As you are all aware, the garden is located on town property and operates totally on volunteer help and private donations. We do not seek money from the Town and yet it is the town who reaps the benefits.

The Annual Garden Party is open to the public and is held annually since the garden was refurbished in 2009. In the past the fees have been waived, and we hope you will do so again this year. Please also note that the Friday and Saturday use of the property and use of the tent are by the library, not the garden. so those hours should not be included in our fees. Our use is only from 1-4 pm on Sunday.

We hope you will grant our waiver request, attend the Garden Party and encourage all to visit this true gem of New London throughout the garden season.

Sincerely,

Carolyn Fraley
Treasurer
Garden at Tracy Library
